The purpose of this filing is two fold. One, transport rates are being reduced due to the restatement of demand to reflect a more accurate treatment of direct trunk facilities and minute of use sensitive facilities. Two, special access rates are being reduced in attempt to be more in line with the industry norm. We chose to mirror NECA's rates to accomplish this goal.

This tariff publication is being filed electronically. The statutory processing fee in the form of a personal check made payable to the Federal Communications Commission in the amount of \$695.00 is being overnight delivered today to the Federal Communications Commission, c/o Mellon Bank, Three Mellon Bank Center, 525 William Penn Way, 27<sup>th</sup> Floor, Room 153-2713, Pittsburgh, Pennsylvania 15259-0001 (Attention: Wholesale Lockbox Shift Supervisor), along with the original transmittal letter and FCC Form 159.
