Application No. 2

ATTENTION: WIRELINE COMPETITION BUREAU
CORES/FRN#: 003-7209-68

Geneseo Telephone Company respectfully submits this application, pursuant to Section 61.151 of the Commission's Rules for Special Permission to waive the requirements of Sections 61.58 and 61.59 of the Commission's Rules and Regulations. This waiver pertains to a tariff revision (Transmittal No. 8) to Geneseo's FCC Tariff #1. The extent and purpose of this waiver are described below. In addition, illustrative tariff pages are attached for your review.

Geneseo proposes to withdraw the new tariff service (LNP) in its Transmittal No. 8, in order to spend more time evaluating the service with the FCC before refiling it in the tariff. As a result, Geneseo seeks to correct this matter on an expedited basis. Therefore, Geneseo requests a waiver of Section 61.58 and Section 61.59 in order to withdraw the material filed under Transmittal No. 8 without its becoming effective.

For the reasons outlined above, we request this waiver of Sections 61.58 and 61.59 of the Commission's Rules. The original letter of application, along with F.C.C. Form 159 and the required \$695.00 filing fee are being delivered via overnight service to the Mellon Bank in Pittsburgh, Pennsylvania. Acknowledgement and date of receipt of this filing fee by the Mellon Bank are requested. A duplicate copy of this application letter is provided for this purpose.

Please address any correspondence regarding this filing to my attention at the address listed below at the following address.

Sincerely,

Scott Rubins
