Application No. 129

Attention: Wireline Competition Bureau

The Verizon Telephone Companies (Verizon) hereby apply for Special Permission for a waiver of Sections 61.58 and 61.59 of the Commission's Rules.

On October 15, 2004, Verizon filed Transmittal No. 502, which made corrections to Tariff FCC No. 11 Section 15, Operating Territory and Metropolitan Statistical Areas of the Verizon Telephone Companies. On 1st Revised Page 15-21 submitted under Transmittal No. 502, Verizon was correcting a typographical error to the Common Language Location Identifier ("CLLI") for one of the wire centers within the New York NY Metropolitan Statistical Area ("MSA"). Verizon has since realized that in lieu of correcting that CLLI, the CLLI should have been removed since it is actually a duplicate CLLI for that same wire center within the New York NY MSA.

Verizon plans to revise page 15-21 prior to the proposed correction becoming effective under Transmittal No. 502 on October 30, 2004 by deleting the duplicate CLLI for that New York NY MSA wire center. A waiver of Section 61.58 is requested in order to have the correction become effective coincident with the revisions filed under Transmittal No. 502, which is less than statutory notice. A waiver of Section 61.59 is requested in order to change material which is not yet effective and pending under Transmittal No. 502.

This application and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Payment in the amount of \$720.00 has been electronically transmitted to the Mellon Bank in Pittsburgh, Pennsylvania, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS.

In accordance with the requirements of Section 61.21(a)(3) of the Commission's Rules, the FCC Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this application on behalf of issuing carriers with the following FRNs:

Tariff F.C.C. No. 11
0003-4694-42
0003-6289-71
