

## ACCESS SERVICE

4. End User Access Service

The Telephone Company will provide End User Access Service (End User Access) to end users\* who obtain local exchange service from the Telephone Company under its general and/or local exchange tariffs. End User Access Service consists of End User Common Line (EUCL) charges, Line Port Charges (LPC), Presubscribed Interexchange Carrier Charges (PICC), Local Number Portability (LNP), and Federal Universal Service Fund (USF) end user charges. End users who obtain local exchange service from the Telephone Company under its general and/or local exchange tariffs are subject to the EUCL, LPC, LNP, and USF regulations. Interexchange carriers who furnish interstate telecommunications to end users are subject to the Presubscribed Interexchange Carrier Charge (PICC) regulations. End users that choose not to select an interexchange carrier for their local exchange service are subject to the PICC regulations.

4.1 General Description

End User Access Service as described in this section relates to EUCL, LPC, PICC, LNP and USF regulations for the use by an end user of an end user common line, an interstate WATS Service or an intrastate WATS Service used to originate or terminate interstate calls.

Use of a subscriber line is provided twenty-four (24) hours a day, seven (7) days a week.

4.2 Limitations

- (A) A telephone number is not provided with End User Access.
- (B) Detail billing is not provided with End User Access.
- (C) Directory listings are not included with End User Access.
- (D) Intercept arrangements are not included with End User Access.

\* For purposes of this section, the term end user also includes alternative local exchange carriers (ALECs) that are certified to resell local exchange telecommunications services.

## ACCESS SERVICE

4. End User Access Service (Cont'd)4.3 Undertaking of the Telephone Company

The Telephone Company will provide use of End User Access at rates and charges as set forth in 4.7 following, as follows:

- (A) Use of a common line by an end user in connection with interstate Access Services provided under this tariff. Such use will be provided when the end user obtains local exchange service.
- (B) The Telephone Company will be responsible for contacts and arrangements with customers for the billing of End User Access rates.
- (C) Use of a common line by an End User for access for MTS/WATS-type, operator-DDD, operator-person, collect, third number, credit card, and/or other like calls.
- (D) Use of a common line by a Customer for access to an interstate service arrangement (e.g., Toll Free Code Service, NPA + 555 + 1212 service, 900 Service, interstate or intrastate INWATS and OUTWATS Service, and other similar service arrangements).
- (E) Use of a common line requires the facilities at the End User and IC premises to have the necessary on-hook and off-hook supervision.

## ACCESS SERVICE

4. End User Access Service (Cont'd)4.4 Obligations of the End User

- (A) When the end user is a Radio Common Carrier (RCC), or a Maritime Radio Common Carrier (MRCC), it shall designate whether the local exchange services it is provided by the Telephone Company are used as access lines for its services or used as administrative lines.
- (B) When the end user is provided with a local exchange service which is not identified as Centrex, Business or Residence service, it shall provide the Telephone Company any requested information necessary for the Telephone Company to determine the appropriate charges.

4.5 Payment Arrangements and Credit Allowances(A) Minimum Period

The minimum period for which End User Access is provided to an end user and for which charges are applicable is the same as that in the general and/or local exchange tariffs for the associated local exchange telephone service.

(B) Payment of Rates, Charges and Deposits

The regulations as set forth in Section 2 apply to Customers provided with End User Access.

## ACCESS SERVICE

4. End User Access Service (Cont'd)4.6 Rate Regulations

EUCL, LNP and USF per month rates will be billed to the end user of the associated local exchange service. PICC per-line rates will be billed to the presubscribed inter-exchange carrier of the associated local exchange service. In the event that the end user chooses not to presubscribe to an interexchange carrier, or has no interexchange carrier selection option, (e.g. individual direct inward dialing (DID) lines), the PICC will be billed to the end user. The rate applications are described in (A) through (R) following.

- (A) The EUCL residence subscriber rates, as described in (A) following are assessed on a Primary and Non-Primary basis.

The EUCL residence subscriber rate regulations are designated as either primary or non-primary. The primary rate is assessed to the residential subscriber line which is any or all of the following: 1) the only line provided at that service location; or 2) the line designated as primary by the billed party or parties at that service location at the point of ordering the service. In most cases only one line at a service location can be classified as primary, all others are considered to be non-primary.

- (B) When an end user is provided more than one local business exchange service in a state by the same Telephone Company and when the local business exchange service is provided as a multi-party service under the general and/or local exchange service tariffs, each party is deemed to be a user of an EUCL and the EUCL Multi-line Business Subscriber - line or trunk rate and the PICC Multi-line Business rate for the number of parties involved as set forth in 4.7(A)(3) and (B)(1) following applies to each such party.

- (C) When a payphone service provider is provided a pay telephone line under the general and/or local exchange service tariffs, the EUCL Multi-line Business Subscriber - line or trunk rate and the PICC Multi-line Business rate as set forth in 4.7(A)(3) and (B)(1) following applies to each pay telephone line. (T)
- (D) When an end user is provided more than one local business exchange service in a state by the same Telephone Company and when the local business exchange service is provided under the general and/or local exchange service tariffs and is not covered by (B) and (C) preceding or (L) following, the EUCL Multi-line Business Subscriber - line or trunk rate and the PICC Multi-line Business rate as set forth in 4.7(A)(3) and (B)(1) following applies to each such local business exchange service. (T)
- (E) When an end user is provided a single local business exchange service in a state by the same Telephone Company and when the local business exchange service is provided as a multi-party service under the general and/or local exchange service tariffs, each party is deemed to be a user of an EUCL and the EUCL Single Line Business Subscriber - line or trunk rate as set forth in 4.7(A)(2) following applies to each such party.
- (F) When an end user is provided only single local business exchange service in a state by the same Telephone Company under the general and/or local exchange service tariffs, the EUCL Single Line Business Subscriber - line or trunk rate as set forth in 4.7(A)(2) following applies to each single line business.
- (G) When an end user is provided a local residence exchange service in a state by the same Telephone Company and when the local residence exchange service is provided as a multi-party service under the general and/or local exchange service tariffs, each party is subject to the EUCL Residence Subscriber rates on a Primary and Non-Primary basis as set forth in 4.7(A)(1) following.

- (H) When an end user is provided a local residence exchange service in a state by the same Telephone Company under the general and/or local exchange service tariffs, the EUCL Residential Subscriber - line or trunk rate as set forth in 4.7(A)(1) following applies to each such local residence exchange service on a Primary and Non-Primary basis.
- (I) For each local exchange service provided as Remote Call Forwarding (RCF) residential service or Remote Call Forwarding business service, under the general and/or local exchange service tariffs, EUCL charges do not apply.
- (J) When an end user is provided a local exchange service which is not identified as Centrex, Business or Residence service (e.g., Farm Service, Local Service), the Telephone Company will designate the service as either Centrex, Business or Residence Service. The EUCL and PICC charges as set forth in 4.7 following for Business Subscriber or Residence Subscriber in accordance with the designation will apply.
- (K) When an end user is provided a local residence exchange service, and the residential local exchange rate is reduced for end users meeting a state established means test that is subject to verification, the EUCL Primary Residential Subscriber rate set forth in 4.7(A)(1) following shall be reduced to the extent of the state assistance or waived in full if the state assistance equals or exceeds the EUCL Primary Residential Subscriber rate.

In states not providing a Lifeline support program, the EUCL Primary Residential Subscriber rate set forth in 4.7(A)(1) following shall be waived in full if the end user is eligible for federal Lifeline support. To be eligible, an end user must participate in one of the following programs: Medicaid, food stamps, Supplemental Security Income, federal public housing assistance, or Low-Income Home Energy Assistance Program.

- (L) When an end user is provided with Centrex CO or Centrex CO-like services under the general and/or local exchange service tariffs of the Telephone Company, the EUCL Multi-line Business rate and the PICC Centrex CO or CO-like rate as set forth in 4.7(A)(3) and (B)(2) following applies for each business line or trunk. Centrex CO and Centrex CO-like services (1) are provided using switches located at Telephone Company central offices and (2) link Customer main stations to the Telephone Company switch with subscriber loops. (T)
- (M) For each local exchange service used only as a path for the transmission of Radio Common Carrier (RCC) traffic between the Telephone Company serving wire center and the RCC's radio equipment, EUCL and PICC rates do not apply. EUCL and PICC rates will apply to the Radio Common Carrier's local exchange service used for administrative purposes. This shall also include those Radio Common Carriers providing maritime service under Part 81 of the FCC Rules and Regulations.
- (N) When an end user is provided an Integrated Services Digital Network/ Primary Rate Interface (ISDN/PRI) or Enhanced Service Provider (ESP) link arrangement under the general and/or local exchange service tariffs of the Telephone Company, the EUCL Multi-line Business rate and the PICC Multi-line Business rate as set forth in 4.7 (A)(3) and (B)(1) following is multiplied by five and applies for each such ISDN/PRI arrangement. (T)
- (O) When an end user is provided Integrated Services Digital Network/Basic Rate Interface (ISDN/BRI), the EUCL Non-Primary Residence subscriber rate as set forth in 4.7(A)(1) is assessed for each such facility.
- (P) When an end user is provided an ISDN line, the Line Port Charge (LPC) as set forth in 4.7(C) following will be assessed per ISDN line. The LPC recovers the additional cost of the line card.

## ACCESS SERVICE

4. End User Access Service (Cont'd)4.6 Rate Regulations (Cont'd)

- (Q) LNP End User Access Service provides local exchange service customers the ability to (1) retain the same telephone number when changing from one local telephone service provider to another while remaining at the same service location and (2) complete calls to ported telephone numbers regardless of where the call originates.

Pursuant to the requirements of CC Docket No. 95-116, In the Matter of Telephone Number Portability, the LNP end user charge is designed to recover certain costs incurred by the Telephone Company for the provision of long-term number portability. The LNP end user charge, as set forth in 4.7(D) following, will be billed on a per network access line, per resold line, or per switching port basis for a period of 60 months beginning February 6, 1999 and ending February 5, 2004, with the following exceptions:

- Application of the LNP end user charge is limited to customers served by Telephone Company end offices capable of providing local number portability.
- The LNP end user charge is applicable to resellers of the Telephone Company's local exchange services, to purchasers of its switching ports as unbundled network elements under Section 251 of the Telecommunications Act, and to pay telephone customers.
- End users who qualify for a reduced residential local exchange rate as set forth in (K) preceding will not be assessed the LNP end user charge.
- When an end user is provided an Integrated Services Digital Network/ Primary Rate Interface (ISDN/PRI) or Enhanced Service Provider (ESP) link arrangement, the LNP end user charge will be multiplied by five and applies for each such arrangement.
- When an end user is provided Private Branch Exchange (PBX) service under the general and/or local exchange tariffs of the Telephone Company, the LNP end user charge will be multiplied by nine and applies for each such PBX arrangement.

4. End User Access Service (Cont'd)4.6 Rate Regulations (Cont'd)

- (R) The Federal USF end user charge is designed to recover all contributions made by the Telephone Company to universal service support mechanisms. The USF end user charge, as set forth in 4.7(E) following, will be recovered through flat-rated, monthly charges assessed to customers to whom EUCL charges are applied.

Except as set forth below, the USF end user charge will be billed to the associated end user of the local exchange service, including a reseller of the local exchange service, in which case the reseller shall be deemed an end user for purposes of the application of the USF end user charge, in the same manner as they are for application of EUCL charges.

- End users who qualify for a reduced residential local exchange rate as set forth in (K) preceding will not be assessed the USF end user charge.
- When an end user is provided an Integrated Services Digital Network/ Primary Rate Interface (ISDN/PRI) or Enhanced Service Provider (ESP) link arrangement, the USF end user charge will be multiplied by five and applies for each such arrangement.
- When an end user is provided Private Branch Exchange (PBX) service under the general and/or local exchange tariffs of the Telephone Company, the USF end user charge will be multiplied by five and applies for each such PBX arrangement. (C)
