Application No. 2

Ms. Marlene H. Dortch, Secretary  
Federal Communications Commission  
445 Twelfth Street, S.W., Room TWB204  
Washington, DC 20554

Attention: Wireline Competition Bureau

Application is hereby made by Lexcom Telephone Company (Lexcom) for Special Permission to waive Sections 61.58 and 61.59 of the Commission's Rules.

On May 28, 2004, Lexcom issued Transmittal No. 12 which proposed the introduction of Local Number Portability rates. Transmittal No. 12 is scheduled to become effective on June 12, 2004.

With this application, Lexcom requests permission to waive Sections 61.58 and 61.59 of the Commission's Rules in order to revise the commencement date for the imposition of Lexcom's LNP End User Charge to coincide with the scheduled effective date of Transmittal No. 12. In Transmittal No. 12, Lexcom inadvertently listed in the tariff the LNP End User Charge with a commencement date of June 1, 2004, instead of the actual date of June 12, 2004. Changing the commencement date to June 12, 2004, also requires that we change the termination date from May 31, 2009 to June 12, 2009.

A waiver of Section 61.58 is requested to permit the revision of tariff material to become effective on not less than 3 day's notice. A waiver of Section 61.59 is requested to permit revisions to tariff material that is not yet effective.

This Application letter and the appropriate illustrative tariff pages are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS)
