ACCESS SERVICE

8. Digital Subscriber Line Access Service (Cont'd)

8.1 Asymmetric Digital Subscriber Line (ADSL) Access Service (Cont'd)

8.1.8 Service Discount Plans

(A) General

Service Discount Plans apply to the ADSL service rate elements listed below:

- ADSL Access Port Option 1 (N)
- ADSL Network Access Link (ADSL NAL) Recurring Charge
- ADSL Access Port Nonrecurring Charge

(B) Description

The nonrecurring charge for the ADSL Access Port will be waived for any customer subscribing to a contract of twelve (12) months or more. However, if the contract is terminated prior to the contract expiration date the full nonrecurring charge will be applied.

For an ADSL NAL subscribed to a Service Discount Plan, the current monthly recurring tariff rate will be reduced by a fixed percentage (discount). The amount of the discount differs with the commitment length of the Service Discount Plan. (T)

The minimum period for circuits under the Service Discount Plan is 12 months.

The discount and the length of the Service Discount Plans are detailed in 17.4.7 following. (C)

The discount can be changed by the company at any time. (C)
However, the discount in effect at the time the customer subscribes to the Service Discount Plan will remain in effect until the expiration of that plan. (C)

ACCESS SERVICE

8. Digital Subscriber Line Access Service (Cont'd)

8.1 Asymmetric Digital Subscriber Line (ADSL) Access Service (Cont'd)

8.1.8 Service Discount Plans (Cont'd)

(B) Description (Cont'd)

At the end of the initial Service Discount Plan the customer may subscribe to a new Service Discount Plan. When the customer subscribes to a new Service Discount Plan the discount percent in effect at the time of renewal will be applied throughout the new Service Discount Plan period. If the customer does not choose a new Service Discount Plan the rate will automatically convert to month-to-month without being reduced by the discount percent. (C)

If the customer adds an additional ADSL NAL and subscribes to a Service Discount Plan for this ADSL NAL, the customer may terminate the original Service Discount Plan without incurring termination liability described in section 8.1.8(D) following, provided the original ADSL NAL is subscribed to a new Service Discount Plan that is equal to or greater than the length of the original Service Discount Plan. In addition to resubscribing, both Service Discount Plans must begin at the same time. (C)

(C) Upgrading Plans

A customer may upgrade from a 12 to a 36 month Service Discount Plan for ADSL NAL without incurring termination liability charges discussed in (D) following. When a customer upgrades a Service Discount Plan, a new minimum period and term commitment obligation will be established as of the conversion date.

(D) Termination Liability

Termination Liability charges for ADSL are applicable when any one of the following conditions are met: (C)

- The customer disconnects the service or circuit prior to the expiration of the Service Discount Plan period.
- The customer requests that a circuit be moved to another location.
