

## **Exhibit B to Form 312**

### **Item 24 – Frequency Bands**

In addition to the Ka-band frequencies to be used for service and transit links, SkyBridge II proposed to operate the TT&C links for the SkyBridge II system in the Ku-band. *See* Application of SkyBridge II L.L.C. for Authority to Launch and Operate the SkyBridge II System, File No. SAT-LOA-19971222-00221, December 22, 1997, at 33-35.
